

This Water Treatment catalog is being revised to reflect our new VCI product lines for hydro static testing (hydrotesting) corrosion protection of pipes, pumps, turbines, boilers, tanks and process water treatment. In the meantime please visit

<http://www.corrosionvci.com/Additives/watertreatment.htm>

or visit our Corrosion Protection online store at

<http://www.corrosionvci.com/corrosion/index.php>

for all your corrosion control requirements.
